MOLDED & FLUSH DESIGNS AND FEATURES

STYLE AND SUBSTANCE

JELD-WEN® molded interior doors blend style and substance. Select the architectural style that best fits your home and complement it with a woodgrain texture or smooth finish. For bedrooms, offices, and laundry rooms, consider adding an optional solid core to reduce sound transmission between rooms. Molded doors come in widths of 1'0" to 3'0" and most are available in heights of 6'8", 7'0", and 8'0". Matching bifold doors are also available in most styles.
