

JELD-WEN®

FRAMELESS DIRECT GLAZED GLASS

MORE GLASS. LESS MAINTENANCE. IT'S A WIN-WIN.

Fiberglass entry doors from JELD-WEN have always been beautiful and easy to maintain. Now there's even more reason to appreciate them: direct glazed glass. This feature allows for greater glass surface without additional framing needed to hold it in place. The result is a wide open expanse of glass, more interior light and unencumbered views. Even when closed, these doors have an open, inviting feel.

- Frameless Glass provides wider viewing area
- Easy to clean
- No screw holes or plugs
- Available in 2'0" through 3'0" widths
