WOLF CLASSIC™

# HARMONY SERIES

## WOLF CLASSIC

Wolf Classic provides the right cabinetry for every project and budget. Today's most popular door styles, carefully curated finishes and practical storage solutions make your designs an affordable and beautiful reality. Add in a wide selection of SKUs, accessories, and mouldings for even greater design flexibility. Wolf Classic cabinets are hand-crafted, built with solid hardwood components and expertly finished for a beautiful and long-lasting appearance. And they're backed by our industry-leading five-year warranty for peace of mind. With Wolf Classic, you'll enjoy the ideal combination of quality and value.

### **HARMONY SERIES:**

Quality finish with strong construction

- Limited offering of door styles and finishes
- Quick Ship SKUs
- Unique special order SKUs—not offered in other series

## CABINET SPECIFICATIONS

Diamond Paint	401
Shale Paint	402

## WOOD CHARACTERISTICS & VARIATIONS

Naturally occurring wood characteristics such as variations in color, grain, mineral streaks and knots are not considered defects.

Color variations are a natural occurrence due to species, age, character of cabinets, and exposure to UV light and sunlight. Such variations and changes are not considered defects. For these reasons, new and/or replacement cabinets may not match display samples and/or existing cabinets.

Warping is the bending or twisting of a part. To measure a door or shelf, lay the product on a flat surface and measure the gap from the surface to the part. The standard allowable tolerance for wood is 1/8" per lineal foot. Materials that fall within specification are considered acceptable, as a part of the natural characteristics of wood.

Using High Density Fiberboard provides a smooth, painted surface that does not expand or contract and reduces visible seams where pieces are joined. Fiberboard also provides a stable substrate that minimizes warping and provides better moisture resistance – an industry standard material for painted product.

## FINISH PROCESS

1. The finest wood components are sanded with precision
2. A balanced base coat is applied to ensure a consistent, quality finish
3. First stage ultraviolet (UV) curing process occurs
4. The wood is finely sanded and vacuumed
5. A tinted primer is applied as a foundation for our superior finish
6. Second stage (UV) curing
7. The wood is finely sanded and vacuumed
8. The solid paint layer is evenly applied
9. Third stage (UV) curing
10. The wood is finely sanded and vacuumed
11. First layer of water based clear coat is applied
12. The components go through the dryer to prepare for final processing
13. The wood is finely sanded and vacuumed
14. Second layer of water-based clear coat is applied
15. The components go through the dryer once again
16. Final sanding for a smooth surface and vacuumed for a thorough cleaning
17. A final layer of topcoat is evenly applied
18. Oven cured for catalyzed hardened finish
19. Visual inspection with a color consistency examination performed

**WOLF CLASSIC | 5-YEAR LIMITED WARRANTY**

Wolf Classic cabinets have been manufactured under the highest standards of quality and workmanship.

**FIVE-YEAR LIMITED WARRANTY ON CABINETS, DRAWER GUIDE AND HINGES**

Wolf Home Products warrants to original consumer purchasers for five years from date of original purchase that cabinets, drawers, drawer guides and hinges used in the manufacture of Wolf Classic cabinets shall be free from defects in material and workmanship under normal use.

**GENERAL WARRANTY GUIDELINES**

Should Wolf Classic cabinets fail during the applicable warranty period due to defects in the material or workmanship under normal use, Wolf Home Products, at its discretion, will repair or provide the parts necessary to replace the defective products.

This warranty is applicable only to products used in residential applications in the United States and is not transferable. This warranty does not cover products that are misused, abused, mishandled, improperly installed, improperly stored, changed, modified or subject to extreme temperatures or extreme moisture levels, or normal wear and tear. This warranty is not valid for products used for any purpose other than the purpose for which they were originally intended. This warranty does not cover the cost of installation, removal, subsequent damage or transportation of the defective product, regardless of whether the work was performed by a contractor, service company or the consumer.

Variations in color and grain pattern are a natural characteristic of wood. Color changes also may result from exposure to light, heat, smoke, household cleaners, and other elements and environmental conditions that are part of the aging process. These material variations and changes are not covered by this warranty. Wolf Home Products reserves the right to substitute for discontinued product the most similar product in styling, wood species and color available at the time a claim is submitted.

Paint finishes are uniquely different from standard wood finishes. On all wood products, expansion and contraction are typical due to changes in climate conditions. Due to this normal movement, paint finishes may develop slight separation lines, finish breaks and seam lines. With use of selected hardwoods and veneers, some grain patterns and wood characteristics (checks, pin knots) as well as seams and joints will remain visible through the paint finish. Over time, there may be a slight color shift, due to exposure to natural and artificial light. These normal conditions are not considered quality defects and are not covered by this warranty.

THIS WARRANTY IS THE EXCLUSIVE WARRANTY OF WOLF HOME PRODUCTS AND IS IN LIEU OF AND WOLF HOME PRODUCTS DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

To submit a claim under this warranty, contact your nearest Wolf Classic cabinets dealer or send a letter explaining the defect along with photos and a dated sales receipt as proof of purchase to the address below.
